****All SMC Mfg. products are sold or otherwise furnished in accordance with these general terms and conditions.**

SMC Mfg. & Supply, Inc. (SMC) warrants their products sold by it to be free from defects in material and workmanship for a period of (1) year from date of shipment from SMC. SMC will repair or replace at SMC's discretion, F.O.B. SMC location where the products were manufactured, any products which are determined to be defective material or workmanship, provided that SMC is given prompt notice in writing of any defect; and provided buyer or user has kept such products in condition where SMC can examine same; and provided no machining, welding, heating, or otherwise altering of any kind is done to the products. In no event shall SMC be liable for incidental, consequential, special or other damages of any nature. It is expressly agreed that THIS WARRANTY SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY FOR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

SMC does not warrant that its products meet the requirements of any safety code of any state, municipality, or other jurisdiction or that they will perform as anticipated or desired by buyer or user and/or user assumes all risk and liability whatsoever resulted from use thereof, whether used singly or in conjunction with other equipment.

Products furnished by SMC but not manufactured by SMC will carry only the warranty of the manufacturer of such products, if any. SMC does not warranty products not manufactured by SMC.

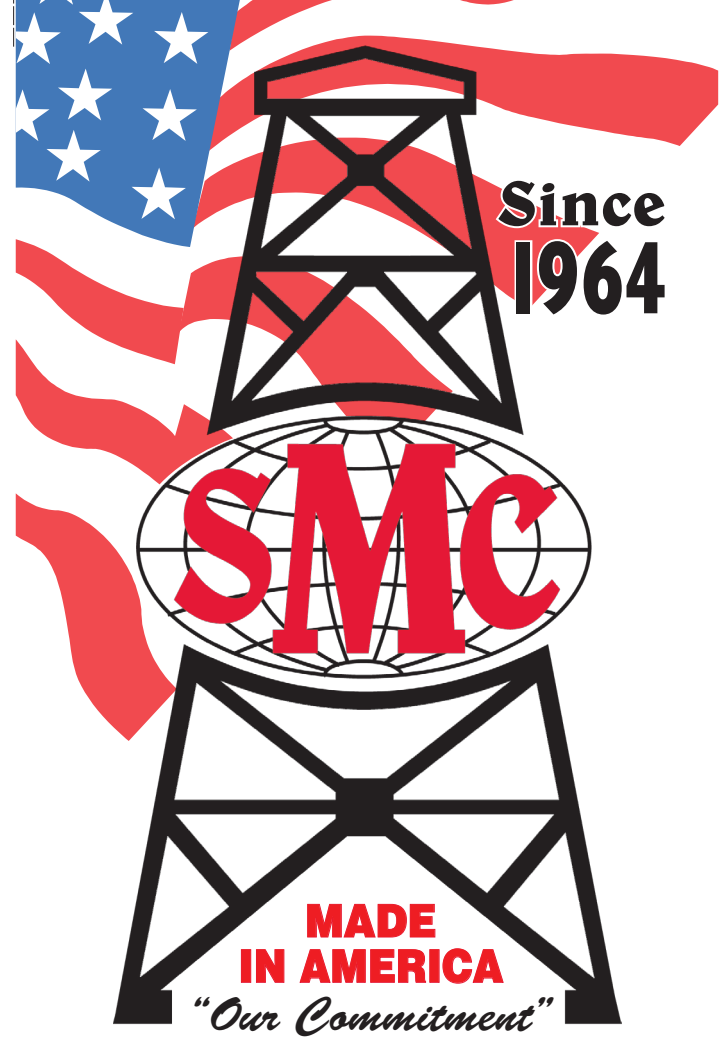

SMC's liability for any loss or damage in any way resulting to buyer/user from any failure of a product shall not exceed the amount which SMC received from buyer or user for the product found to be defective. Where other manufacturers products are used in SMC manufactured products prove defective, SMC's liability shall exist only to the extent that SMC is able to recover from manufacturers or suppliers for the defects.

SMC's liability for damage to or loss of property of buyer or others during performance of work by SMC or while in SMC's possession shall not exceed the price received by SMC for its work on the article lost or damaged.

SMC retains the right to make substitutions and modifications to its products providing that said changes do not affect the performance of those items.

SMC retains for itself all proprietary rights in and to all designs, engineering details and data concerning the products sold by it.

SMC Mfg. & Supply (SMC) is an independent manufacturer of replacement parts. SMC is neither a licensee, nor is it affiliated with any of the original equipment manufacturers named in this brochure. The manufacturers names or trademarks used herein are solely for identification purposes and are not intended by SMC to cause confusion as to the source, sponsorship, or quality of the parts manufactured by SMC. The original manufacturers named throughout this brochure do not sponsor, promote, warranty or endorse SMC's products.

SMC Mfg. & Supply, Inc. was founded in 1964 with a commitment to produce quality parts and equipment to the highest industrial standards. Fulfilling that goal for almost 50 years has established SMC as one of the largest premium manufacturers in North America. would like to make the statement "We manufacture all the parts for all the models listed" but that would be an impossible task. We do strive through a continuous process of acquisition of "out of date" and/or "obsolete drilling equipment," reverse engineering, and good old innovation to produce and maintain a stock of quality parts for your requirements. SMC can with diligence manufacture your requirements in an acceptable time frame. Please contact SMC and allow us to show you our "CAN DO SPIRIT".
